

YY Group Holding (NASDAQ: YYGH) Pauses At-The-Market Offering

March 30, 2026

Company Confirms Sufficient Liquidity to Execute FY2026 Growth Plan; Related Share Cancellation to Reduce Outstanding Shares to 3,274,828

SINGAPORE, March 30, 2026 /PRNewswire/ -- YY Group Holding Limited (NASDAQ: YYGH) ("YY Group" or the "Company"), a global leader in on-demand workforce solutions and integrated facilities management (IFM), today announced that it has instructed its sales agents, Spartan Capital Securities, LLC and Wilson-Davis & Co., Inc., to pause the Company's At-The-Market ("ATM") equity offering program, effective immediately.

In connection with the pause, the Company has directed the return and cancellation of 1,004,107 shares of common stock that were allocated to the sales agents but were not offered or sold into the market. Upon completion of the cancellation process, total shares of common stock outstanding will be reduced from 4,278,935 to 3,274,828. The Company expects the cancellation to be completed on or around April 3, 2026. No further shares will be issued under the ATM program while the pause remains in effect.

The Company has determined that its current liquidity position is sufficient to support near-term operational requirements and execution against its previously announced FY2026 revenue guidance of US\$103 million to US\$110 million.

"We have the capital we need to execute our plan, and pausing the ATM reflects that assessment," stated Mike Fu, Chief Executive Officer of YY Group. "Our focus is on delivering against our FY2026 targets, improving our margin profile, and demonstrating the operational leverage in our business."

The ATM program provides for the sale of up to US\$20 million in shares of common stock. The Company retains the ability to reactivate the program in the future but has no current plans to do so.
